

# Journe<sup>e</sup> M400

## Portable multimedia player

**TOSHIBA**  
Leading Innovation >>>

M400 is more than just a mobile TV, a digital photo frame or a portable radio. It's a compact multimedia player equipped with all you need for the best digital experience

### PORTABLE MULTIMEDIA PLAYER

The internal battery to enjoy picture, music and videos anywhere you are

### DIGITAL TV WITH DVB-T STANDARD

Enjoy your favorite movies, sport games or TV shows\* at anytime

### 4.3" COLOR TFT-LCD TOUCH PANEL

The Antiglare TFT-LCD panel reduces light reflection and gives you an unparalleled image quality

### INTUITIVE AND SELF EXPLANATORY USER INTERFACE

We kept it simple! M400 can be set up in a few seconds and makes your digital experience so enjoyable it will make you forget you are not in front of your tv
